CITY MANAGER SUPPORTING INFORMATION:

In 1995, the City Council approved Planned Industrial Development, Hillside Review and Resource Protection Overlay Zone (PID/HRP/RPOZ) Permit No. 88-0794, the Mission Tails Industrial Park Project. This approval allowed the subdivision of a 48-acre site for development as a light-industrial park, located on the south side of Mission Gorge Road between Princess View Drive and Old Cliffs Road.

ITEM-330: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

A copy of the recorded Permit No. 88-0794 is included as Attachment 16. This development resulted in a 6.36-acre remainder parcel located at a southerly corner of the development, which was not a part of the PID/HRP/RPOZ Permit No. 88-0794. This parcel has remained undeveloped and is the subject of the current development application. The parcel has remained designated for light-industrial use in the Navajo Community Plan. However, the site is zoned AR-1-2, which would allow for a maximum of six dwelling units. The project proposal includes a request to amend the Navajo Community Plan to designate the site from light industrial to single-family residential land use, and to rezone the property to RX-1-1, which would allow residential development of a maximum of 16 units.

The subject property is located at the terminus of Wembley Street, south of Mission Gorge Road and west of Princess View Drive, and north of Fontaine Street, within the Allied Gardens neighborhood. The proposed residential development is located in the southwest corner of the site and would occupy approximately 3.4-acres (one-half) of the property area. The remaining northwest portion of the parcel will remain undeveloped as a privately owned and maintained open space easement.

Surrounding land uses consist of commercial and warehouse development to the north and northwest (Mission Trails Industrial Park); commercial, undeveloped, and an elementary school uses to the east; and the Allied Gardens residential neighborhood located to the south and east of the site. The project site is not within or adjacent to the City's Multi-Habitat Planning Area (MHPA).

FISCAL IMPACT:

All staff costs associated with processing this project are recovered from a separate deposit account provided and maintained by the Applicant.
